A Message from Pastor Tory

As May begins I can't help to reflect just how very blessed I am to be a part of this wonderful Family of Faith. In all sincerity I have never experienced a more dedicated and loving Church. This past Sunday the Session received six new members. Megan and Craig La Fontaine and Carmine Pescatore, and confirmands Jackie Leach, Tyler Pushko and Sara Floyd. They will be welcomed by the congregation on May 15th How wonderful it is when God leads new people to join our family of faith. As we look forward to moving to the church building on Harmony Road I can only imagine the many who will stop in to visit Cornerstone. Individuals who until now never really knew what Cornerstone was about...but now as if to see the church for the first time they will come. They will arrive to an extremely warm, friendly, welcoming community of faith. One that cares for one another and the world around them.

One of the ways Cornerstone cares for the world is by supporting Villages in Partnership. VIP is a mission project that partners with Malawians working together to bring about change for the people of the villages. This Saturday May 7th members of Cornerstone will join with other congregations at the Annual Water Walk in Allentown, NJ. Walking to remember the walk so many woman and children walk each day for clean water. As well as to raise money towards building wells. Several years ago I was fortunate to visit Malawi and to witness how difficult life becomes when each day must begin with a two mile walk to collect water for the day. I also was able to see the joy and great praise to God raised up in song for the new well within the village. Before the work on a well begins, the village elects a "water" committee. The water committee mobilizes the community to complete the sweat equity as well as collect monthly fees from each family to maintain the well. They are then trained in care and maintenance of the well. Clean water is the number one priority for villages when VIP first approaches a village to explore partnership. To dig or drill a well demands much commitment and work from the villagers. They must donate land for the well, collect river sand, crack quarry rock, burn bricks...It is not an easy task. Not all villages are up for the work. Sometimes they tell us they cannot do all that. With that response, we tell them to contact us when they are ready.

But the villages who do want to contribute and build the partnership with VIP experience life changing gifts through clean water. In 2010, the remote villages surrounding Chimpeni Estate approached VIP to assist *(continued)*

MISSION STATEMENT

We the people of Cornerstone are a part of God's Grand Adventure to: ground our lives on the solid rock of Jesus Christ, build up each other in love through prayer, words and deeds, and to create God's community in Jackson and beyond.

them in building a primary school. The Thornycroft family agreed to donate land for the school and so VIP, the government, the Thornycroft family and the villages began to build a school where no schools existed. Attendance for the school is over 400 students. VIP is working with the community to address the dropout rate. Extreme poverty is complex and the slightest tipping point (lack of food) can pull a child out of school. VIP learned that children were not able to get to school during the rainy season when the creek would swell. Summer mission teams along with the local community partnered together to build a bridge so that children could get to school. So many ways that VIP along with the support are bringing hope and love around the world.

On Mother's Day we will celebrate the women that the Lord has blessed us with a Special Worship Service led by our amazing Youth and Children. Scriptures brought to life through a power point presentation and worship songs and hymns will take us through "The Stepping Stones of Faith". What another witness of the vibrancy of our entire congregation. From the youngest to the oldest.

I pray, that you will allow yourself to come to worship and serve our awesome God. All those chores, work projects, and laundry will be there when you return home from church. Trust me they are always awaiting me when I arrive home but after time with my new church family at Cornerstone always makes them more bearable, sometimes even infused with an undeniable joy!

Jackson Street Cleanup

THANK YOU to all who helped clean Wright Debow Road in April! Over the course of 2 mornings, we picked up nearly 50 bags of trash and recycling, and also raised \$500 for the church! GREAT JOB!

Per Capita is Ongoing....

As members of Cornerstone Presbyterian Church we are also members of the Presbyterian Church (USA). Each member is asked to give \$36.00 to the Per Capita offering. Our Per Capita Offering helps with many of the ministries and missions of PC(USA). One of the exciting ways our offering makes a difference is by connecting ecumenically with other churches to make mission a possibility in regions of the world where otherwise it would be impossible. Together we are able to reach areas in most need of God's love and our resources.

Our Per Capita Offering also supports the process for those preparing for ministry to be evaluated. Each person sensing a call to ministry is required to follow a path of study, reflection and examination. The preparation, administration, and grading of this standard ordination examinations is a vital way our per capita supports the local church. The ordination examination insures that each minister is prepared and ready to receive a call to a church.

We do encourage you to make your Per Capita Offering as soon as possible. Even if it is necessary to break it up over the course of the year. What offering is not given by our members must be covered by Cornerstone's general offerings. Please prayerfully consider connecting with Presbyterians around the country to support God's work!

VIP WATER WALK—Saturday, May 7

villages in partnership

Water Walk - "Walk A Mile In Their Shoes"

The Village Water Walk event is designed to raise awareness of the need for access to safe water and the struggle to survive that our friends in Malawi, Africa face every day!

Cornerstone is once again forming a team to walk in this event. This year the walk will be held on a Saturday at Allentown Presbyterian Church starting at 5:00 PM. Our team will take shifts walking throughout the evening, with the event ending at midnight after a time of devotion. Whether you can walk, or sponsor a walker, thank you for your support of this mission project! Please contact Dominique Robert or Elizabeth Hughes for more information!

To sign up to be a member of "Team Harmony" or to sponsor our team, please visit this webpage:

This year our team will be walking in honor of Mia Sijaya Makawa from NKAGULA VILLAGE. This is her story as reported by the VIP Field Worker:

Mai Sijaya Makawa was divorced by her husband in 2010. She is aged 42 and has 6 children (3 boys, 3 girls) aged between 23 and 4 years. The eldest and second eldest dropped out from school in std 3 and 4 respectively due to poverty. The only school going child is Mwaiwao – a girl aged 15 and is in std 5. She says she fails to send the others to school because it is difficult for her to find good clothes, uniform and other school materials. Apart from her children, she is also taking care of an 82 year old uncle who is also sick from urine cantinas (urine coming out without ones knowledge) and blood diarrhea. In a normal year she harvests only 10 to 15 bags of which lasts up to December and has to do ganyu (piece work) to buy some food for the remaining 3 months. "This 2015 will be a very bad year for my family because I may by chance get only 4 to 5 bags of maize and I don't know what will happen to us when we finish those bags" she laments.

Women's Tuesday Morning Bible Study All Women Welcome!

This group meets on Tuesday mornings from 10:30-12 at the home of Elizabeth Hughes. **On April 5th, the women will begin a new DVD study called "Jesus and His Jewish Influences."**

Description: For anyone interested in understanding the profound effect Jesus had on the world, it's important to realize that his actions and teachings didn't emerge from a vacuum. Rather, they were the product of a fascinating dialogue with—and reaction to—the traditions, cultures, and historical developments of ancient Jewish beliefs. In fact, early Judaism and Jesus are two subjects so inextricably linked that one cannot arrive at a true understanding of Jesus without understanding the time in which he lived and taught.

Schedule for May:

May 3: Sessions 17 & 18, *King Herod & Pontius Pilate*

May 10: Session 21: *Flavius Josephus: Witness to 1st Century A.D.*

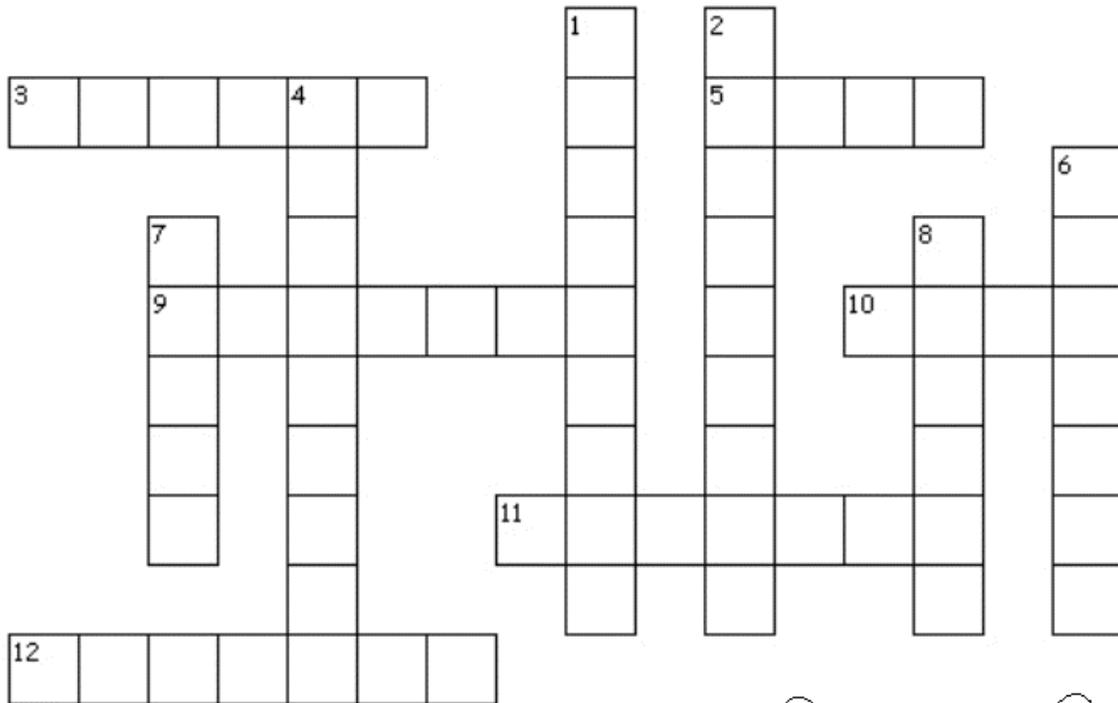

May 17: Sessions 22 & 23: *Rabbinic Judaism's Traditions about Jesus & Jesus's Apocalyptic Outlook*

May 24: Session 24: *Jesus's Teachings and Sayings in Context*
