When we step out in faith to work side by side with one another, God is there with us and our work is blessed, and we discover a joy that lifts us up and leads us closer to our Lord!

Cornerstone Family,

Where have you “Discovered the Joy” at Cornerstone? For me, each time we join to worship God in our new Church Building I see joy on the each of your faces and my heart is lifted up. Recognizing the volunteer work hours that it required for the building to be restored also fills me with joy for your witness of faithfulness. What joy I have experienced as youth and adults have regularly shared the love. We have so many blessings to be thankful for, and as we look forward to 2019, I feel confident that God has exciting ways he will lead us to serve, grow in faith, and come closer to the Lord. “Discover the Joy” is the 2019 stewardship campaign. Faithful stewardship is not just financial but encompasses our very lives. We have been given gifts and blessings in order to share them with others and the world. I am convinced that we grow spiritually when we give of our time, talent, and treasure. To discover the joy at Cornerstone Church means a commitment to the church’s work and ministry. It means trying new things and participating in different offerings. It means giving back some of the financial resources that we have been given.

May we together “Discover the Joy” in 2019 at Cornerstone as we worship, serve and follow our great God!
